Newly Arrived Immigrants [Textbox]

According to the Migration Policy Institute, it is nearly impossible to determine how many newly arrived migrants are residing in New York. Nonetheless, "data on notices to appear (NTA) in immigration court, which are given to migrants at the border, offer a useful indicator." Migration Policy Institute. *New York and Other U.S. Cities Struggle with High Costs of Migrant Arrivals*. Sept. 27, 2023.

<https://www.migrationpolicy.org/article/cities-struggle-migrant-arrivals-new-york>

We have therefore estimated these numbers by relying on NTA data from TRAC Immigration. (2023). *New Proceedings Filed in Immigration Court by State, Court, Hearing Location, Year, Charge, Nationality, Language, Age, and More*. Retrieved from <https://trac.syr.edu/phptools/immigration/ntanew/>
